## *Old Point Comfort Marina*

**In 1607, Captain Christopher Newport sailed to a "Point of land where they found a channel and sounded twelve fathoms."**

This put them in such good comfort that they named the point "Cape Comfort." The name was later changed to Old Point Comfort.

*...Defender of the Chesapeake*

**"...easily reached by vessels arriving from the Chesapeake Bay and the Atlantic ocean."**

*...Guide to Cruising Chesapeake Bay*

**Old Point Comfort Marina offers a multitude of services, good protection, and quiet charm coupled with a rich historic flavor.**
